Date: 11/03/22

### Roles

**Creative Director:** Sarah Wang

**Developer/Designer:** Jin Park

### Meeting Notes:

- Three separate pages that document Sutdio Ghibli
  - Home page that features 1-2 films of your choice with stills from film
  - Page with all the films documented with still images/descriptions
  - History of Studio Ghibli
    - three different eras
  - Sources page
- Utilizing a navigation bar at the top that transitions between all the pages
- Color palette: pastels/using images from the films to make background imagery
- Whimsical vibes, using wavy text/interactive features that communicate the visual language of Ghibli in a sense
- Font wise: experiment with both sans serif/serif, leaning towards sans probably
